

Society for Behavioral Neuroendocrinology Annual Meeting
University of Virginia, Charlottesville, VA
June 26, - June 30, 1999

CALL FOR POSTER ABSTRACTS

The Society for Behavioral Neuroendocrinology welcomes reports describing new basic or clinical research in behavioral neuroendocrinology. Individuals using a multi-disciplinary or comparative approach are encouraged to participate in this meeting.

ABSTRACT DEADLINE: POST-MARKED APRIL 2, 1999

INSTRUCTIONS FOR PREPARING ABSTRACTS:

1. Print abstracts (12 point font recommended) on a single page with a 2.5 cm border on all sides. Abstracts will be published as submitted.
2. Provide three (3) copies of each abstract submitted.
3. Abstracts should contain the following: (1) A descriptive title (typed in all capital letters), (2) the names of the authors and location where the research was performed, (3) a description of the research.
4. Submit a separate abstract transmittal form with each abstract.
5. Membership in the Society for Behavioral Neuroendocrinology is not required to submit abstracts.
6. Authors will be notified by May 1, 1999, about their presentations.
7. Most presentations will be posters unless time becomes available in which case a few abstracts will be selected for oral presentations (10 minutes total) if they fit a symposium theme.
8. Poster dimensions will be 7' high x 4' wide.
